The banner features a blue background with a white sand timer icon on the left. To the right, the text 'Range Estimate' is displayed in a large, bold, blue font. Below this, a subtitle reads 'Possibility to have optimistic and pessimistic estimates for an issue'. The main visual is a horizontal bar chart with three segments: green, yellow, and red. Three white boxes are overlaid on the chart, each showing a 'Range Estimate' with 'Optimistic' and 'Pessimistic' bars and a 'Logged' bar. The 'Logged' bar is filled with a color corresponding to the segment it covers. The 'rozdoom' logo is in the bottom right corner.
